## 2023 Year-End Newsletter

December

### A Message from our President

Hello again! As I look back on this past year, I marvel at all the good the Lakes Region Scholarship Foundation has accomplished, thanks to the hard work, outreach and efforts of our office staff and board of directors, but most importantly, thanks to the generous donations from all of you. We literally couldn't do it without you.

October reaped the success of our three fall fundraisers, our 4<sup>th</sup> Annual Pumpkin Figure Contest, and our Cakes n Sweets Calendar and Harvest Raffles!

This December, we are once again participating in the Celebrate Laconia's City on the Lakes Holiday Walk, held in downtown Laconia.

As always, the year's end quickly leads to a new year and the beginning of the Scholarship Application season and the busy time for our hard working office staff. The 2024-2025 Application will be available online, starting in January.

Our new year's plans will again include our Winter Blues Raffle and Fratello's Benefit Night, both in March, the Annalee Thorndike Student Art Exhibit and Competition in April, and the all-important Donors Week in May, to name a few of the upcoming events.

This month, I step down as President of the Board and pass along the responsibilities to the very capable Gayle Price. It has been an honor to be a part of the LRSF Board of Directors. I am and will always be in awe of this remarkable organization and am so proud to do my small part to bring a positive future to so many deserving students. May the new year see peace, kindness and understanding for all the world. ~ **Joan Frates**

January started off our year with an informational session at the Belknap Mill, where Karen & Chris kicked off the new streamlined application! The session was open to students and parents of the area high schools.

### 2023 New Funds, Memorials or Additions to Already Established Funds

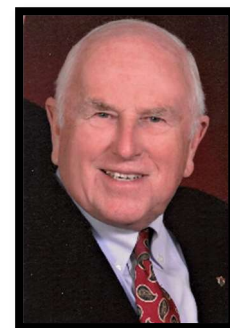

**Lucile Hawkins Gilman Memorial Scholarship** - Created to honor the legacy of Lucile Hawkins Gilman, a fierce believer in the importance of education and in the inspired teachers who provide it. Lucile only lived from 1923 to 1957. Her life was brief, but her accomplishments were many. Lucile attended the one-room Kelley Corner Schoolhouse in Lower Gilmanton, graduated from Plymouth Teacher's College (now Plymouth State University), and taught at the Lincoln Elementary School in Lincoln NH and the Gilmanton Academy.

Following in the footsteps of her mother, Amy Osborne Hawkins, who was also a teacher, Lucile lived by the Hawkins values of family, farm and friends. In 1947, at the age of 25, Lucile married Paul E. Gilman, a descendent of the 24 members of the Gilman family, who in addition to 152 other grant recipients in 1727, were awarded land grants as compensation for defense of the colonies. Paul and Lucile had five living children together. Sadly, Lucile died unexpectedly of pneumonia shortly after the birth of her sixth child, who also passed away. Lucile's many friends and former students remembered her as "an angel on Earth."

The Lucile Hawkins Gilman Memorial Scholarship was established in 1958 by the Lower Gilmanton Community Club (LGCC), where Lucile actively contributed to creating the strong social connections that make Gilmanton a special place to live. Over the years, the scholarship went into a period of dormancy. Paula Gilman, Lucile's eldest daughter, in a loving tribute to her mother and to continue the Gilmanton tradition of neighbors caring for neighbors, has recently revived the scholarship and it is now a newly established fund through the Lakes Region Scholarship Foundation.

**The Stafford Family Memorial Fund** - First established by Mrs. Elva M. Stafford in memory of her late husband, Charles F. Stafford, and has grown through memorial gifts made by family, friends, and business associates in remembrance of the following deceased members of the Stafford family and to commemorate their tradition of service to their community: Ruth (Mrs. Theo) Stafford, 1965; William Stafford, 1970; Charles F. Stafford, 1972; Carroll W. Stafford, Sr., 1973; Theo B. Stafford, 1974; Walter G. Stafford, 1974; David E. Stafford, 1980; Grace E. Stafford, 1981; Deloria L. (Mrs. Walter) Stafford, 1982; Elva M. (Mrs. Charles F.) Stafford, 1987; Anne (Mrs. William I.) Stafford, 1988; Bertha Orr (Mrs. Theo B.) Stafford, 1992; Merle C. (Mrs. Carroll W., Sr.) Stafford, 1993; George W. Stafford, 1998; Ralph F. Plumer, 1998; and Gloria M. Stafford Plumer Tewksbury, 1999.

Memorial donations were received with the passing of **Carroll W Stafford Jr** (1933 - 2022). Born in Laconia, Carroll was a graduate of Laconia High School Class of '52, Norwich University and Brown University Graduate School of Savings Banks. He served active duty as a 2<sup>nd</sup> Lt. in the US Army as an Armored Officer. In his 13 years in the Reserves, he served as Battery Commander of C Battery in Laconia, and as Captain for the 368<sup>th</sup> Engineers Battalion in Concord NH. Carroll started his banking career as a teller for Peoples National Bank and in 1972 was hired as a Loan Officer at Laconia Savings Bank and eventually President of Laconia Savings Bank for 19 years. After retirement, Carroll continued to serve on the Board of Directors, as Vice Chairman. Carroll was very involved with the Laconia community. Carroll was a Past President of Lakes Region Scholarship Foundation, as well as Lake Winnepesaukee Shrine Club, Bektash Shriners, Masons, Mount Lebanon Lodge #32, United Way. He was a 37-year member of the Laconia Kiwanis Club, a Life Member of the Laconia Lodge of Elks, a member of the Gilford Community Church, Chairman of the NH Association of Savings Banks, Director of Laconia Historical and Museum Society, Belknap Mill Society, Union Cemetery Association, Corporator of lakes Region General Hospital and the Taylor Home, as well as serving as a trustee for the Edwin C Remick Foundation. Carroll enjoyed golf and tennis and being a member of the "Grumpy Ole Men". Carroll's sense of humor was most enjoyed with his great big smile, hearty laugh and twinkle in his eye.

**Judith Reeve Memorial Fund** - Judith "Judie" Reeve was a lifelong resident of Laconia. Judie was the "neighborhood" mother. Children would flock to her house. She created a safe space for all. Judie married her high school sweetheart, Jim Reeve. Judie and Jim raised four children of their own, along with 17 foster children and numerous exchange students. Judie was involved in her church from a young age, from sponsoring a church youth group, serving as a deacon and teaching Sunday School. Judie was very involved and active in the Lakes Region Community. She served on the Laconia School Board for 21 years, befriending teachers and students alike. Judie was appointed to the NH School Boards Association, and eventually appointed chair of the NH Board of Education by Gov. Jeanne Shaheen. In later years, she was elected to the NH House, serving on the house education committee. Judie was a friend to all. She was a source of love and acceptance to hundreds of children whose lives she passed through.

**Opechee Garden Club in Memory of Judy Robertson** - A group of volunteers dedicated to the beautification and preservation of our environment. Since 1982 (through LRSF) they have awarded scholarships to students majoring in forestry, horticulture, botany, landscaping or a related environmental field. **Judith "Judy" Robertson** (1947 - 2023). Born in Peabody, MA and a graduate of Peabody High School and Salem Hospital Nursing School. Judy's nursing career came naturally to her as she always looked for opportunities to help people. Upon her retirement, she went on to join the Belknap Mill Quilt Guild and the Opechee Garden Club which encompassed two of her passions, quilting and gardening. Through both the Guild and the Garden Club she made many friends whom she treasured. Judy could also be found out on the lake, spending hours in her kayak or in the boat with her husband. However, her favorite activity by far was watching her two granddaughters grow up, she made sure she was at every milestone in their lives. Family and friends made donations to the Opechee Garden Club Scholarship Award in Judy's memory.

The partners decided to move the business and the three families to the Lakes Region in 1970. Doug and Angela happily raised three daughters in the Lakes Region. The company grew and built many commercial projects through the state. Eventually it employed approximately 40 people, with an additional 60 people working seasonally. Some of their employees came from the NH Vocational/Technical School in Concord, NH. Bonnette, Page and Stone developed and renovated several buildings locally-the Laconia Railroad Station and the Streetcar Complex among them. The Stones have been vital members of the Lakes Region community for many years. The couple and their family became benefactors of the New Hampshire Charitable Foundation. As a result of both their schooling and work ethic, the couple had a strong interest in helping students who would be pursuing to further their education or career in education or careers in construction, engineering, building trades, or architecture, as well as nursing majors. The couple have been particularly interested in serving those who are graduates of the Huot Technical Center.

**The Arthur and Irene Gordon Memorial Fund** - This scholarship fund was established in honor of **Arthur (1930 - 2017)** by a long-time best friend. Arthur was respected in the Lakes Region as an astute businessman. He had started five IGA stores, including the one in Laconia, that he built and developed with his cousin. Both Arthur and Irene were staunch supporters of Laconia and its Jewish community and were involved in many worthwhile community programs. It was not uncommon for a dozen strangers to be seated around Irene's table at family holiday dinners.

He was said to have "paved the way" for many fellow doctors and loved to mentor new surgeons as well as learn from them. Once retired Donald "Zeke" filled his days with exercise, volunteering at the hospital, hobbies and attending educational and arts events with his wife, Mary. **Mary A Ettelson (1932 - 2021)** earned her BA in Nursing and while raising the couple's five children, she worked as a nurse at LRGH, Lakes Region OB-GYN and as office manager at the OPA. She always wanted to help those in need. In light of this, she was able to form a scout troop for people with special needs, visited hospice patients after work, helped with blood drives and volunteered at St. Vincent de Paul as well as LRGH and the Hospital Auxiliary. These were just few of the things to which she dedicated her time and energy. On the personal side, this special couple were dedicated not only to their five children but to many other non-blood children as well. To all of the children, Dr. Ettelson would frequently say: "I gave you a toolbox filled with all the basic tools you need for life. It is up to you to choose how to use those tools." One of the couple's non-blood sons summed it up this way: "Some people rescue animals, Zeke and Mam (Mary) rescue people." Memorial donations were received with the passing of Donald.

Many times throughout his walk with leukemia he received care above and beyond by the nurses and LNAs at Dana Farber Cancer Institute and at Brigham and Women's Hospital.
