Dear LRSF Supporter,

We hope this letter finds you and your family well. We understand that these continue to be challenging times for all of us. It is our hope that you have been able to enjoy some precious moments with family and loved ones this past year.

Despite all the challenges, Lakes Region Scholarship Foundation has reasons to celebrate! This year, through the generosity of over 280 donors, we awarded over a half million dollars to a wonderful group of close to 300 Lakes Region students pursuing degrees in higher education. Congratulations to our donors and our recipients!

Due to the current uncertain climate, we are once again forced to make the difficult decision of postponing the 20th Annual Community Spelling Bee, our major fundraiser. It is our hope to hold this event in October 2022.

We feel that this Foundation is a true reflection of the generosity of the people of the Lakes Region. We are appealing to the generosity of our donors and other members of the Lakes Region Community to make a donation now to FOFOF-Friends of the Foundation Operating Fund. The Foundation is a clearinghouse for over 280 donor funds. **Those funds are restricted to scholarships and cannot be used for operations.**

Your donation will help us to continue our work: assisting young people in the pursuit of their dreams, as well as providing a special way for donors to memorialize family members and friends through scholarships.

2021 marked the Lakes Region Scholarship Foundation's 65th anniversary of service to the community! We are so grateful for the support of our donors throughout these 65 years. With their support we have been able to award \$7,865,390 to 5,755 recipients since 1956. Again, congratulations to all of our donors and recipients spanning these 65 years. We are also grateful to all of our present staff, former staff, present board members and former board members. We could not have accomplished all we have in the past 65 years without everyone's support! Thank you!

"I cannot wait to further my education, build a career and give back to the community. Your support means the world to me"- 2021 Scholarship Recipient

Enclosed please find the donation information which outlines the levels of support.
