

Dear Lillian A. Krasnow Memorial Fund,

Thank you so much for your incredible generosity in awarding me the Lillian A. Krasnow Memorial Scholarship. I was very moved to be selected.

This scholarship will help me attain my nursing degree at Emmanuel College in Boston. This support will help me learn & work in some of the world's best hospitals. Like Lillian herself, my goals after graduation include traveling to different parts of our country. Although I love NH, I do see value in experiencing life in new places.

My goal after nursing school is to continue my education & become a nurse practitioner. Again, thank you for believing in me & my dreams.

Respectfully,
Madelyn Besegasi
