

Dear Lancaster Trust,

Thank you so much for your generous donation to my education. This gift will be put towards my tuition at Wheaton College, MA, and allow me to continue my studies in nursing for my second year. After college I plan to continue my education and become a nurse practitioner. My goal is to put my hard work towards bettering the health and lives of others. I hope to make an impact on my community. When I complete my schooling, I look forward to working in a local doctors office or hospital.

Thank you,

Adeline Takantias
