

Dear Simone Richardson Memorial,

Ever since I was a young child, I have dreamed of attending college to help people in some way shape or form! Since being named a recipient of the Simone Richardson Memorial, my dreams are finally becoming reality. I am glad to have the opportunity to thank you personally for your generosity. Without donors like you, many students would be unable to pursue the career of their dreams!

My future plans include pursuing a career as a school psychologist. I am not only passionate about helping people but I also have a love of working with kids and love seeing progress be made in schools but also our community!

Once again, I wanted to say my sincerest thank you for your generous support!

Sincerely,
Alexia Bassett
