

Dear LRSF Staff and Board Members,

I just wanted to thank you for all your support over the last four years. You have truly helped me achieve my education goals. I was really excited to graduate in May. When the opportunity presented itself to continue with graduate school, I knew I could not pass that up. I will be working at the library again along with substitute teaching at the school I was student teaching last year, I am very excited for that! It's very much appreciated that you are continuing to help me towards a masters degree! I can't thank you enough for all your hard work!

Sincerely,

Allison J
