A Message of thanks from our Executive Director

The Lakes Region Scholarship Foundation was founded in 1956, when eight donors awarded **\$2,650** to sixteen students. Thanks to the generosity of **294** donors, this year, our **70th anniversary** – marks a remarkable milestone. We will be awarding over **\$1 million** in scholarships to **401** local students pursuing higher education. Over the past seven decades, more than **6,800** students have been supported by over **660** donors, who together have awarded nearly **\$12 million** in scholarships. We are deeply grateful for their generosity and commitment from you, our donors. These awards are made possible by memorial funds, civic organizations, businesses, families, and individuals—each one an investment in the future and an impact on the students of the Lakes Region. We are proud to recognize and honor all of our donors.

~ Chris Guilmett, Executive Director

The Lakes Region Scholarship Foundation is pleased to announce the appointment of Kim Lacasse as the Foundation's new Assistant Director. Executive Director Chris Guilmett stated that he and the Board of Trustees are delighted to welcome Kim to the organization. "When we were looking to fill this position, we hoped to find someone with a strong connection to the community and a vested interest in LRSF," Chris said. "Kim met both of those criteria and more." Kim looks forward to working with donors, scholarship recipients, and the Board of Trustees in support of the Foundation's mission. A native of Laconia and graduate of Laconia High School, Kim has been employed by the Laconia School District since 1995 and has served as the District's Accounts Payable/Receivable Coordinator since 2018. In addition to her professional experience, Kim has demonstrated a longstanding commitment to community service. In 2014 she received the Annette P. Schmidt Award in recognition of her dedication to the community and to children throughout the Lakes Region. Since 2007, she has served on the Board of the Santa Fund of the Greater Lakes Region, where she currently serves as Board Chair. She is also a co-founder and former board member of Keeping Our Community Warm – Laconia and has served on the Board of The Historic Belknap Mill. Feel free to stop by the office and welcome Kim!

As 2026 marks LRSF's 70th anniversary, it also marks Maggie's well-deserved retirement. Since joining LRSF in 2019, Maggie has been a cherished and deeply valued member of the LRSF team. Over the past seven years, she has brought dedication, kindness, and genuine care to LRSF and our mission, forming meaningful connections with our donors along the way. Her heartfelt messages were written with warmth and thoughtfulness, and the care she poured into each thank-you letter was felt by so many donors who reached out to share their appreciation. We invite you to join us in congratulating Maggie on her retirement and thanking her for the kindness, dedication, and care she has so generously shared with LRSF over the years.

Congratulations to the graduating seniors from Belmont High School (top left), Laconia High School (top right), Gilford High School (bottom left), and Prospect Mountain High School (bottom right), who were proudly presented with their award packets during their high school award ceremonies. The presentations were made by Chris Guilmett and Karen Switzer, joined by board trustees Lois Kessin, Judy Ball, Fredda Osman, Jessica Beane, Chris Banks, Don McLelland, Semi Shin-Kenison, and Andrea Besegai.

Our Mission: The promotion and encouragement of scholarships and opportunities for higher education among residents of the Lakes Region.
