November 2025

Dear Friend of the Foundation Supporter,

Thanks to the continued generous support of so many of our donors, Lakes Region Scholarship Foundation was able to award scholarships to a record number of qualified applicants this year. Your Appeal donation this year is vital to the continued success of meeting the growing needs of carrying out our operations and supporting our mission. The work of the Foundation continues to be in motion all year, and the support we receive from you will help in keeping the momentum of the work of the Foundation moving forward.

Donations to FOFOF are crucial for the long-term success of LRSF. It is also critical in supporting our operations and the ability to continue carrying out our mission. With your donation as a Friend of the Foundation, the collective act of giving becomes a significant part of the support of the Foundation.

It is great to see the thank you notes received here at the office from so many of the scholarship recipients. Students are truly taking the time to read and understand about funds through the Donor Profiles as the lives and accomplishments of the donors are mentioned in their award packets!

This past year, 2025, LRSF celebrated 69 years of awarding scholarships. We could not do it without the support from donors like you. Your donation, in conjunction with our community of donors, is helping us to achieve a vital part of our mission "to promote and encourage scholarship opportunities for higher education among residents of the Lakes Region of New Hampshire...." We are so grateful to all our donors who deserve the credit for this outpouring of support for our college-bound students.

On behalf of our Board of Directors, staff, and students, please accept our deepest thanks for your donation.
