

Dear Rich Ball,

Thank you so much for the John P. & Margaret P. Ball Memorial scholarship. Your gift is really helping me to achieve my educational goals. I graduated in 2023 with a bachelor's in education. This year I decided to switch schools to the university of Rhode Island and start my masters in library science. I have always loved reading and my three years working in the library at St. Joseph's college made me realize that's truly where my passion was, so I decided it was time for a change. I am so excited about this new challenge. I can't thank you enough for your help in making my dreams come true and I will strive to make you proud that you helped me to achieve this. Thank you so very much!

Sincerely,

Allison J. J.
